Wisdom- Having the experience and good judgment to help our nation’s Veterans. We must never forget that our military Veterans are the reason each and every one of us can sleep soundly at night. What we have is the result of our Veterans’ sacrifices, which do not go unnoticed.

Excellence- Strive for the highest quality and continuous improvement. Be thoughtful and decisive in leadership, and accountable for our actions. We Heart Veterans will not rest on our accomplishments, but rather build on them in our journey to be the best we can be and set new standards. We will expect more of ourselves and exceed expectations in every project.

Commitment- Work diligently to serve Veterans and their families. Be driven by an earnest belief in We Heart Veterans’ mission. Fulfill individual and organizational responsibilities. Veterans have earned our gratitude and respect; they swore an oath to protect and defend our way of life. Now it is our turn to give back to those who answered the call.

Advocacy- Be truly Veteran-centric by identifying, fully considering, and appropriately advancing the interests of Veterans and their families. We Heart Veterans will work to ensure a better quality of life, overcome barriers that restrict opportunities, and be responsive to and emphasize with individual needs and wishes.

Respect- Each and every Veteran has served our United States military with honor and pride; therefore, we serve them in the same manner, and treat them as they should be treated. We pledge to treat others with dignity and respect; it is what allows us to appreciate the best in other people.

Ethical- Do what’s right, legally and morally. We Heart Veterans will remain ethical by adhering to moral principles, requiring that we do and say nothing that deceives others. We Heart Veterans will act with high moral principle, adhere to the highest professional standards, and maintain the trust and confidence of all with whom we engage.
